

# BEANBAG COLLECTION

# Beanbag Collection

There's not a beanbag out there that's quite as plush as ours. Designed with a polyester/cotton-lined insert that's made with 30% recycled fill. Machine-washable slipcovers feature double-needle top-stitched seams for extra durability; dry-clean our Furlicious, Sherpa and Luxe Fur slipcovers. Choose the smaller beanbag for compact spaces or the larger size to really spread out.
