

CUSHY LOUNGE COLLECTION

Cushy Lounge Collection

Create the lounge setup you want with our most versatile seating system. Cushions are built with sturdy wood frames that are joined by steel brackets, and then covered with plush cushions in polyester faux suede. Elevate your lounge with any of our bases including pedestal and turned wood. The pedestal base offers a sleek, clean look and our turned-wood base sits on round finials. Now offered in an elegant roll-arm style. Tufted cushions are built with sturdy wood frames that are upholstered in plush foam.
