Open Shelving Rolling Cart

Parts included:
A) Frame  
B) Tray x 3  
C) Wheels x 4  
D) Screw cap x 9  
E) Wrench

This item includes 5 main sections listed above. The trays are secured to the frame using nine screw caps.

Assembly instructions:
1) Unfold the frame (A) on the floor.
2) Position each tray into the frame (as shown) so that the three threaded studs of the tray engage the holes of each of the three tabs for that level.
3) Use screw caps (D) and wrench (E) to secure a cap screw onto each of the threaded studs so that each tray (B) becomes secured to the frame (A).
4) Rotate the threaded studs of wheels (C) into the bottom ends of the frame.
5) Now go use your new cart!
